

Family Safeguard

At Samphire Risk, our common goal is to protect our clients from 'bad people doing bad things'. We have witnessed first-hand the devastating impact that kidnapping, extortion, and malicious threats can have on individuals and their families, both at home and overseas. We focus solely on malicious risks and our team is made up of highly experienced experts in this field. Our approach is discreet and we want all our clients to experience exceptional service. What gives our clients and their families true peace of mind is the knowledge that they can call on real expertise in their moment of need. Samphire's simple promise is to deliver this expertise through world-class insurance and crisis response.

Your Family Safeguard Policy provides cover against

Kidnap

Malicious Detention

Extortion

Hijack

Malicious Threat

Unexplained Disappearance

Hostage Situation

Virtual Kidnap

Express Kidnap

Criminal Assault

Stalking Threat

Financial Protection

Samphire Risk insurance cover reimburses specific costs associated with an insured crisis event. This includes:

Ransom (including confiscated or stolen ransom)

Rest and rehabilitation for the victim(s)

Increased security costs

Injury or death of the victim(s)

Public relations costs where required

Childcare costs

Legal and medical fees associated with the crisis

Costs of travel & accommodation for you or a victim

Relocation costs

Loss of income or earnings for the victim(s)/others involved in the crisis

Miscellaneous additional expenses associated with resolving the incident

Reward paid by you which leads to a successful resolution of an insured event

A Crisis Response Team

You have a response team that is ready to mobilise whenever an insured crisis event takes place, anywhere in the world. Your response team guides you through every aspect of any of the scenarios covered until, and only when, safe resolution is achieved. The policy will then cover fees and expenses on an unlimited basis.

Malicious Risks

Over time the nature and intent behind malicious threats have changed. Historically, kidnap for ransom was a specific risk faced only by families and businesses operating in less secure parts of the world. Today, complex extortion and sophisticated threats can be real risks faced by individuals or families, at home as well as overseas.

About Samphire Risk

Samphire Risk brings together experience and expertise to help you understand what is needed to protect you and your family from malicious or hostile risks. Samphire maintains relationships across the global spectrum of crisis responders, building long-term relationships with those that share our values and ethos. We undertake strict evaluation and review of all our partners, giving you a team that best demonstrates the capability to respond where and when you need them.
