

## Global Safeguard

### Insured access to Resource, Expertise and Resilience

At Samphire Risk, our common goal is to protect our clients from malicious and hostile risk, which can often overwhelm the most competent and experienced businesses. Peace of mind is the knowledge that they can call on true expertise in their moment of need, look their people and key stakeholders in the eye and say "We did everything we could". Samphire's simple commitment is to deliver this expertise through insurance and world-class crisis response.

Samphire Global Safeguard provides worldwide crisis response to a wide range of malicious and hostile incidents.

### The policy can be triggered by:

-  A credible suspicion or threat of an incident
-  An allegation of an incident
-  An incident occurring

### Covered events can include, but are not limited to:

-  **Systemic and property risks**, such as: civil commotion, riot, malicious damage, sabotage, occupation, product tampering, terrorism events
-  **Acute duty of care risks**, such as: hostage situations, malicious assault, malicious detention, malicious threat, stalking, workplace violence
-  **Political risks**, such as: expropriation, nationalisation, illegal seizure
-  **Financial and compliance risks**, such as: competitor malfeasance, criminal facilitation, defamatory allegations, internal bribery and corruption, money laundering
-  **Information and data risks**, such as: cyber malicious threat, proprietary information theft, social-engineering
-  **Malicious coercive risks**, such as: bribery demand, extortion, kidnap

Crisis24 are a world-class Crisis Response practice. They are ready to mobilise to anywhere in the world to support policyholders to the resolution of any of the insured incidents. They bring 30 years of experience and expertise, allied with their global network of resources.

Samphire Global Safeguard will cover Crisis24 fees and expenses for up to 60 days and on an unlimited financial basis. In certain situations where there is a direct threat to life, the support will continue with no day limit.

## Key Benefits

- Access to global and expert resource for a fixed annual cost
- Operate with confidence in multiple risk environments: security, political and business integrity
- Reduce exposure to financial loss by early interception of crises before they impact
- Demonstrate the highest levels of duty of care to people, business resilience and reputation
